

OAR TOOL & DIE: LISTING OF AVAILABLE ITEMS AS OF JANUARY 5, 2010

1	Sharnoa CNC vertical milling machine, model: SGC-30, (1998) s/n V298A0098, (20) automatic tool holders, 4th axis rotary type, Sharnoa CNC controls, etc.
1	Sharnoa CNC vertical milling machine, model: SGC-30, (2000) s/n: V20030037, (20) Automatic tool holders, 3-jaw chuck, tooling and accessories, rotary type, Sharnoa CNC controls, Etc.

LOT	Support machinery in department including Lassey Tapper, Big Joe Mechanical Die Cart, Workbenches, Chairs, Portable Toolboxes, Vidmar Toolmaker's storage cabinet and shelving units, bar clamps, barrel pumps, (5) portable tray racks with aluminum trays, antifatigue mats, vertical files, ladder, double end grinder, (4) maple top workbenches with underneath storage, miscellaneous hand tools, miscellaneous support, etc.
1	Stanley Vidmar multi-drawer portable toolmaker's cabinets and workbenches with large quantity of inspection equipment, granite surface plates, collets, tooling, polishing accessories, milling fixtures, pallet fixtures, fastener bins, foot pump, miscellaneous support, etc.
LOT	Support throughout department including miscellaneous inspection equipment, (3) Pentium PC's with flat screens, calipers, micrometers, dial indicators, hole, plug & pin gages, angle blocks, shelving, toolmakers microscope, drill doctor, laptop PC, quick grip clamps, Smith Tool thermal grip tool setter with base and accessories: SOLD , miscellaneous support, etc.

Compressor Area

1	Sullair rotary screw air compressor, model: ES-8 with base, 15-hp, programmable controls, no shroud; unit #1
1	Sullair rotary screw air compressor, model: ES-8 with base, 15-hp, programmable controls, no shroud; unit #2
1	Campbell Hausfeld vertical 5-hp, single stage air compressor with air receiving tank, model: C1053080V, s/n: 527640
1	Sullair refrigerated air dryer, model: SR with related cartridge, filters, vertical steel air receiving tank, etc.

1	Support in room including Compare 2-stage, 10-hp, air compressor with air receiving tank, part cleansing unit, ladder, tool clamp, gray lab timer, 18" vibratory finishing unit, dual Torit Donaldson dust collectors, MTA refrigerated air dryer currently not in service, miscellaneous support, etc.
1	Haas CNC slant bed lathe with 12-station Torit, model: SL-10T, tool presetter, tailstock, CNC programmable controls, Hennig incline chip conveyor, s/n: 3075815 (2006) with Haas servo barfeed, model: 300, s/n: 750, related tooling and accessories
1	Mori Seiki CNC slant bed lathe, model: CL203, with 12-station Torit, s/n: 1386 (2000) cleated belt incline chip conveyor, related tooling and accessories
LOT	Stanley Vidmar workbenches with underneath storage, toolmaker's storage cabinet, 7-drawers with miscellaneous inspection equipment, dil indicators, hole, plug and pin gauges, intra-micrometers, micrometer stands, jig lining accessories, programmable PC's, granite surface plate, inside/outside micrometers, verniers, miscellaneous, etc.
LOT	Additional support including wall mounted jib crane with budget electric hoists, Kennedy multi drawer toolboxes with center drills, metric drills, metric taps, carbide end mills, metric dies, insert tooling. Workbenches, pallet jack, shop refig, Kennedy workbench with drawers, angle blocks, portable shop cart, tray cart with aluminum trays, miscellaneous support, etc.
LOT	Area with 1" vertical belt sander, maple top wood workbench, Dunham double end drill grinder, miscellaneous support, etc.
Grinding Department	
1	Kellenberger inside/outside diameter grinder, model: 600URF cylindrical-type hydraulic, model: LK, s/n: 16777455 with tooling and accessories
1	Moore Jig grinder, model: G18, s/n: G2906 with tooling and accessories
1	Moore Jig grinder, model: G18, s/n: G3249 with tooling and accessories
3	Deckel tool and cutter grinders, benchtop models, s/n: 79-19896, S077-17957 & 93-25618 with tooling and accessories

1	Crozier benchtop speed lathe, model: 9BDPL, s/n: 65881
1	Reed surface grinder model: Rollerway 618HP, s/n: 22111 with Walker ceramic magnetic chuck, 6" x 18", Fagor XY digital readout, tooling and accessories
1	Moore Vintage Oak toolmaker's storage cabinet
1	D.M.E pin cut-off machine, s/n: 0112
1	Precision surface grinder, model: 1801, s/n:20678 with Walker ceramic 6" x 8" magnetic chuck
1	K.O. Lee surface grinder, model: SB618 with 6" x 18" magnetic chuck, ACU-Rite digital readout, s/n: 29191
1	B&G Technology Ltd. Opti-Dress wheel presser with factor digital readout, s/n: 026017 (2007)
1	Mitsu surface grinder, model: 205MH w/6" x 8" (1986) magnetic chuck, Acu-Rite digital readout, s/n: 86112698
LOT	Large quantity of support throughout department including Antifatigue mats, approximately (15) Grindall #1 attachments, angle blocks, vises, lab stands, mini service plates, tooling and fixtures, double end grinder, demagnetizers, ceramic magnetic chucks, workbenches, dial indicators, starret surface plates, precision grinder/drill, miscellaneous attachments, Meiji Binocular toolmaker's scope, verniers, micrometers, miscellaneous support, parts cleaner, etc.
1	Mitutoyo measuring microscope, model: MF with Quadra chek 200 controller and digital readout (not in use)
1	Brown & Sharpe digital height gauge, model: Microhite-600, s/n: 1008, 24" capacity with digital readout
LOT	Large quantity of inspection equipment including hole, plug and pin gauges, dial indicators, 36" granite surface plate, height gauges, angle blocks, gauge blocks, gauge pin set, miscellaneous support, etc.
Quality Control	
1	Wilson benchtop hardness tester, model: 3R, s/n: 1830
1	Brown & Sharpe Micro-Hite, model: Tesa-Hite 350+D, 18"cap., w/digital readout, s/n: 1361

1	Micro-VU Video measuring system, model: M301, s/n: V7163 (1999) complete with vision, dual axis Sony monitor, micro-VU FD-10 focus detector, power lamp supply, related PC
LOT	Support throughout quality control department including hole, plug and pin gauges, Stanley Vidmar workbench with storage cabinet and toolmaker's cabinet, gauge pins, ring gauges, inside/outside micrometers, dial indicators, verniers, depth micrometers, inside micrometers, angle blocks, toolmaker's vise, calipers, 24", 18" & 12", Meyer gauges, cabinets with full compliment of gauges, Hon black file cabinet with contents, miscellaneous support, etc.

LOT	Miscellaneous inspection equipment, dial indicators, hole, plug & pin gauges, storage shelving, angle blocks, workbench with tool maker's cabinet, shop cart, multi-tiered tray cart with aluminum trays, butcher block type work bench with overhead shelving, toolmaker's microscope, Stanley Vidmar workbench with storage cabinet, etc.
-----	---

LOT	(2) Modular workstations complete with work surfaces, hang-on shelving, posture chairs, dual pentium PC's with printers, files, time clock, etc.
-----	--

Manual Milling Department

1	North American single girder bridge crane, 2-ton capacity with coffering 2-ton electric hoist, pendant control, approximately 40' rail with side rails approximately 80'
1	Sharp 3-hp vertical milling machine, power feed table 36", power draw bar, Kurt milling vise, Acu-Rite digital readout, related tooling and accessories, s/n: 50322296

1	Sharp 3-hp vertical milling machine, power feed table 36", power draw bar, Kurt milling vise, Acu-Rite digital readout, related tooling and accessories, s/n: 84060061
---	--

6	Stanley Vidmar multi-drawer toolmaker's storage cabinets with large quantity of perishable tooling including "o" rings, safety glasses, head pins, interlocks, sleeves, cap screws, assorted metric tap screws, springs, liter pins and bushings, dies, strippables, dowl pins, low head cap screws, threaded screws, miscellaneous hardware, etc.
---	--

1	Stanley Vidmar multi-drawer portable toolbox with butcher block, miscellaneous inspection equipment, caps, dowl set, hold downs, hole, plug & pin gauges, miscellaneous hand tools, etc.
1	Craftsman muti-tiered portable toolbox with large quantity of hand tools, end mills, bore mills, cutters, metric boc wrenches, screw drivers, etc.
1	Dake mechanical H-frame shop press, No tonage

LOT	Anti-fatigue mats, steel and granite surface plates, portable die carts, benchtop precision grinder/drills, shop cart, (7) steel workbenches with overhead lighting, (6) steel work surfaces with bar clamps, quick grip clamps, dial indicators, miscellaneous tooling, etc.
1	Charmilles technologies manual wire sinker, model: form 4-LC with Acu-Rite digital readout, Charmilles power supply, chiller, s/n: 91-193038
LOT	5-Drawer Filing Cabinet, Metro Rack, 4 Pentium PC's with Flat Screen, Thermal Printer, Setra Quick Count Scale: SOLD , Nashua Tape Shooter, Steel Workbenches, Kennedy Workbench with storage, Fastner Bins, Posture Chairs, Maple Top Workbench, 5 Portable Tray Carts with trays, Vertical Files, Presto Portable Die Cart, Stanley Vidmar Workbench, workbench with lighting, Precision Drill, Shop Vac, Etc.
LOT	Miscellaneous tools including shop vac, drills, hole, plug & pin gauges, verniers, lista storage cabinets, granite surface plate, height gauges, bridgeport rotary table, Harig rotary spinner, Walker Ceramax chuck: SOLD etc.
1	Stanley Vidmar Multi-Drawer Toolmaker's Cabinet with Gauge Blocks, Plugs, Etc.

1	Omega One-Ton Foldable Portable Engine-Type Boom Crane, MDL.44010, S# SS080310978
1	Sonitek Benchtop Mechanical Thermal Press, MDL. TS10131, S# 100-9439
1	Support throughout Clean Room including (2) workbenches, (2) 1 1/2 benchtop arbor presses, Portable Tool box with metric socket set, Posture Chairs.

1	Custom Built 12' x 16' Clean Room with Steel & Glass Panels, 9 Overhead 4-Position Fluorescent lights, Single Entry, Dual Hepa Filtration, Etc.
1	Arburg Vertical Rotary Hydraulic Injection Molding Machine, MDL. 1200T All Rounder 800-150, 7 oz. x 150 Ton, S#181009 (2000) Shrouded with Indexing Table, Minisafe lightening Safeties, MDL. 564600, Micro Processing Controls, Vacuum Loader, Etc.
1	Novatek Benchtop De-Humidifying Dessicant Dryer, MDL. MD-25 S# 3A1349-3708, 100lb. Cap, (1997)
1	Conair Single Zone TW-1 MicroProcessing Control Chiller and Temperature Controller
1	Cincinnati Milacron Vertical Shutter-Type Injection Molding Machine, MDL. Vector-CH90-S, (1995), 3.5 oz. x 110 Ton Cap., S# 3987A0L-95-AJ002040-795, Safeties, Camac-Vsx Micro-Processing Controls
1	Novatek Benchtop De-Humidifying Dessicant Dryer MDL. MD25 S# 1947 with Microprocessing Controls, 100-ton Cap., (1999)
1	Mitsubishi Horizontal Toggle-Type Injections Molding Machine, 17 oz. x 210 Ton Cap., MDL. 210MJ, (1994) S# P1915057, with MicroProcessing Controls, with Airliner MDL. AB-100S Pick & Place 2-Axis Robot
1	Demag Horizontal Toggle-type Injection Molding Machine, MDL. DC60-151-NC111-K, 4 1/2 oz. x 60 ton Cap., Thorenson Vacuum Loading, S# 812-1273
1	Novatek Benchtop De-Humidifying Dessicant Dryer, MDL. MD25 S# 3A0877-3512 with 100lb Hopper, (1996)
1	Thorenson De-Humidifying Dessicant Dryer, MDL. TD24 S# 9109-244
1	Conair Chiller/Temperature Controller, MDL. TW+ Control, Single Zone
1	Multi-Therm Mokon Single Zone Chiller, MDL. HY4009AG, S#7005175
1	Application Engineering-AEC Portable Refridgerated 2-Ton Chiller MDL. PCA100, S# 33J0203

1	Multi-Therm Mokon Single Zone Oil Heater, MDL. CH4A09-PK S# 41748
LOT	Inventory Ladder, Anti-Fatigue Mats, Pallet Jack, WorkBench, 5 sections metro racking, work surface w/ 2-drawer filing cabinet, open wrenches Allen Wrenches. Foreman stand, side table shop vac, Etc.
1	North American Industries 2-ton single rail bridge crane, Approx 40' span with budget 2-ton Electric Hoist Pendant Control
LOT	Bag Sealer, Binocular Microscope, Workbench, Overhead Lighting, Tray Cart, 1 1/2 ton Arbor Press, Etc.
1	Doall Vertical Metal Cutting Band Saw, 16" Throat with Blade Welder
1	Temptek Vertical 5 HP Granulator, 6" x 6" Throat
1	U-Line Portable Platform Scale, MDL. H-60 Digital Readout
LOT	Water Recirculation Chilling System Complete with 500 Gallon Polypropylene open top tank, dual centrifugal pumps, process piping, gate valves, etc.
1	Clark propane forklift, solid tires, double mast, model: C500-25, 2500 lb. capacity, s/n: 59325
LOT	Approximately (12) sections of various size and capacity medium and heavy duty pallet racking with cross arms and uprights
LOT	Miscellaneous including banding machine, extension ladders, step ladders, pallet jack, portable platform scale, lawn mower comber, leaf blower, cantilevered stock rack, dual tank, presto die cart, cardex files, etc.
1	Conair temp Pro refrigerated chiller, model: MPA-3, s/n: 97A041
1	Trinco sandblasting box, dry type with dust collector
1	Novatek de-humidifying dessicant dryer, model: HD15, s/n 10-483-1808 with 60-lb hopper (1996)

LOT	Miscellaneous equipment in various stages of assembly and condition including stock stands, barrel dollies, shop trucks, B.M. plastic equipment transfer conveyor, (4) Conair 100-lb hopper/driers, (3) Thorenson de-humidifying dessicant dryers, sandblasting box, various component parts, molds, dies, mezzanine area, DME temperature controller system with (10) modules, portable
<i>Offices & Computers</i>	
LOT	Samsung electronic phone system with operator's console, full-featured with operating software, faxes, inkjet, bubblejet and laser printers, calculators, approximately (10) Pentium PC's with flat panel monitors, servers, patch panels, Hewlett Packard 750C plotter, etc.
LOT	General office area with (6) upholstered modular workstations with work surfaces, posture chairs, files, 4 & 5 drawer vertical files, etc.
LOT	Executive office with Chippendale style double pedestal desk, matching wall unit, side table, drafting table, 5 drawer blueprint file, oak bookcase, oak two drawer files, executive chair, conference table with stationary upholstered conference chairs, etc.
